

Message spoken at Community Church - October 29, 2009

Three o'clock Wednesday morning, God gave me the strongest message I have ever received in a dream and He ended this dream by saying to me, *"Sound the Alarm!!"*

This dream was a stern warning to the church, all churches, all denominations.

God, through a dream, said:

"The enemy has come into the church and is deceiving even the elect, young and old. People that were once saved are being lost to the enemy through deception and the biggest reason for deception is the power of the Holy Spirit is being removed from the body of Christ and therefore the church is powerless."

This is a word from the Lord to His people.

Then God told me the next day, *"My church is committing 'spiritual adultery'."*

What is 'spiritual adultery'? That's when the church allows the world to dictate what goes on in the church, instead of the church dictating what goes on in the world.

Comment: *God's window of protection over the heart of America is closing fast and we, the body of Christ, need to be fasting and praying for the survival of our country and our family. Don't delay! We need more of God in our lives today!*
